

2016 ICTR-CAP Dissemination & Implementation Short Course

October 10 & 11, 2016

WELCOME!

We are thrilled to welcome over 100 attendees to the 3rd Annual D&I Short Course, and honored to be joined by an impressive team of local and national experts!

Over the next two days, we plan to

- Increase your understanding of Implementation Science
- Improve your skills in developing a research and evaluation plan
- Increase your understanding of how to get D&I funding, and how policy can be a tool to advance health

Our Attendees

- Approximately 70% of you are attending the short course for the first time.
- You represent over 50 departments on campus, and several community organizations
- Your interest in this course:
 - 30% are currently doing D&I research
 - 30% are not doing D&I research but would like to learn more
 - 25% are interested in implementing EBP in healthcare and community settings
 - 15% want to disseminate their research more widely

Logistics

1. All sessions are on the 2nd floor, there is a map on the back of your agenda
2. We are offering “Speed 1 to 1s” this afternoon- an opportunity to meet individually with the course faculty. **Sign-up sheets are at the registration desk**
3. Restrooms are located in the main hallway
4. All plenary sessions and some breakout sessions will be videotaped and posted to: www.ictr.wisc.edu/Dnl
5. Are you developing interventions? We want to hear about your work. **Please complete the brief 3 question survey in your folder and return to us.**

We Value Your Feedback!

- You will receive an **evaluation survey** after the conference.
- PLEASE take a few moments to complete it!
- If you complete your survey by November 1st you will be entered in a drawing –

3 lucky winners will receive a copy of:

- Also watch for a follow-up survey in 6 months.

Special Thanks to:
