**PROPOSED COURSES TO COMPLETE THE MINOR:**

- \* No course credits that count toward the major can count toward the minor.
- \* Thank you for adding clinical and translational science breadth to your major curriculum.
- \* Review Clinical Investigation, Doctoral Minor course requirements in the [Guide](#).

| <b>Course names and numbers (9 credits)</b> | <b>Semester/year to be taken</b> |
|---|----------------------------------|
| _____                                       | _____                            |
| _____                                       | _____                            |
| _____                                       | _____                            |
